The park was formerly to a water to be property to a water to be part of the collection in wages of 20 and 40 p warmest friends and "cronies" is Peter
J. Scanlon, of 21 West street.

While Scanlon is not so prominent a
Tammany man as Col. Murphy, he
wields much influence and has a following. He is President of the Peter J.
Scanlon Light Guards, the headquarters
of which quasi-political organization is
at 13 Washington street, where at Andy
Doyle's saloon and club-house banners
and portraits of Peter J. Scanlon are to
be found in artistic profusion.

Peter J. Scanlon has for a long time
been chief engineer of the city's tug
Municipal, which is used by the Street.
Cleaning Department. Incidentally it
may be mentioned that Mr. Scanlon is
said to be a candidate for the position
of Collector of City Revenue.

Soon after W. S. Andrews assumed the
office of Street-Cleaning Commissioner
he placed the tug Municipal out of commission and discharged the captain, enspineer and the crew, much to the disgust

MECCA TEMPLE'S BALL, plant hand, Murphy and Scanlon started on e warpath. They looked into the workings of the fall hand, Murphy and Scanlon started on e warpath. They looked into the workings of the fall has been added to the sall was administration, or more prophy speaking; the "final disposition bustle, was just fairly reeking with hands and Scows subordinates to their lair in cold City Market, at Seventeenth of the old City Market, at Seventeenth in the and Avenue C. These two were had so seen and sows and his clerk, Andrew huenier. In this little den, on the top hard or the Old City Market, which is next used by the Street-Cleaning Department as central stables, Murphy and ionnion claim, all the jobs and deals of the final disposition department have and their origin.

Accordingly, about ten weeks ago, seader Murphy and his friend and processe, Scanlon, called upon Commissioner Andrews, and, after explaining the alloged crookedness existing in the office of Supt. Anderson, made the modest request that both Anderson and his clerk, Buchler, be discharged.

Commissioner Andrews turned a deaf ear to their entreaties and gave them no satisfaction. Murphy and Scanlon went away in high dudgeon and prepared a typeritten statement which was sent to Andrews.

the final disposition department have a lad their origin.

Accordingly, about ten weeks ago, the search was a ladder Murphy and his friend and protege. Scanlon, called upon Commissioner Andrews, and, after explaining the alleged crookedness existing in the office of Supt. Anderson, made the modest request that both Anderson and his clerk. Buchler, be discharged.

Commissioner Andrews turned a deaf ear to their entreaties and gave them no satisfaction. Murphy and Scanlon went away in high dudgeon and presented a typeritten statement which was

mo satisfaction. Murphy and Scanion went away in high dudgeon and prevaled a typwritten statement which was sent to Andrews.

They were again ignored by the Street-cleaning Commissioner, and then in desperation, mingled with anger and thoughts of revenge, Messrs. Murphy and Scanion called on Mayor Gliroy and presented him with a copy of the written charges against the Department, which had previously been presented to Andrews.

Mayor Gliroy read the letter and exe-

Mayor Gliroy read the letter and executed a mental war dance. Then he summoned Commissioner Andrews, and after a merry war of words, the Mayor and the Commissioner agreed to dismiss both Supt. Anderson and his clerk, Buch-ler.

But up to date Anderson and Buchler, who hold all the secrets of the "deals" in the final disposition bureau, have not been removed, and are still drawing fat salaries.

Meanwhile the charges made by Scanlon are pigeon-holed in Mayor Girroy's office. These charges are embodied in the letter to Andrews, which reads as follows:

DEPARTMENT OF STREET-CLEANING.

City of New York, Set. 30, 1882.

Hon. William S. Andrews, Commissioner:

Sir: In reference to placing the Jepartment tag Municipal out of commission and the discharge of the crew, on the report that the Jiunicipal is onsexworthy and unable to perform the work required by the Begartment, and that it would not be profitable to place the boat in condition. I begin to report as follows:

The accessary repairs to the tag Municipal can be made for Eq. and can be done in shout two working days. In the present condition of the vessel it can be placed in commission and run at once, without spending any money, and can be run for two months without making any repairs what
New Profit of the Mexican Cabinet and laddes. This is the first diplomatic dinner President and once, without spending any money, and can be run for two months without making any repairs what
New Profit of the Winter to Work President and his wife, assisted by the members of the Mexican Cabinet and laddes. This is the first diplomatic dinner President and p

I beg to bring to your attention the last the the Department tugs have been, for the past two years, sent to see each tide with only two flat scows in tow, when they should have been given four scows. I desire also to say that the patent dumping boats (the Barney), which can be taken to see at all times, seldon losing a trip owing to weather, makes a round trip in eight hours and receives 500 for two trips, the same price as it paid for flat scows. These patent scows have been towed by hired lags, while the Department tug have been kept towing flat scows to sea, which takes from twenty-cone to twenty-two hours hard towing.

ing.

wing to this state of affairs, our boats have not a permitted to earn any money, but are sent wild goine chance up and down the tay, and times taking several tays to get two fat scows son, while hired tugs were going to see every can earning plents of money for their owners, he interests of the Department are secondary he the necessity management.

IN THE WORLD OF LABOR.

TO TAX GRAMERCY PARK.

Clothing cutters in this city and Brooklyn report that the condition of their trade is niightly im-

A joint executive meeting of the Framers' Union and Local Assembly 40g. K. of L., framers, is to take place at Clarecdon Hall to-night.

William Deancen and C. S. Roberts are the newly elected delegates of the New York Stereotypers' Union to the Central Labor Union.

The Department of Tugs and Scows is managed in such a loose and unbusiness like manner, and in the interests of contractors of hired boats, whose only desire is to loot the Department, while the Department tugs are unable to earn money for their maintenance. Very truly yours. PETER J. SUANLON.

Chief Engineer Department Tug Municipal.

And this report is filled away for future reference, while Mayor Gilroy and Commissioner Andrews are doing nothing to correct the "waste" that exists to-day the same as during last year. Saturday evening, Jan. 27, the Franklin Association of Pressmen, Local Assembly 2725, K. of L. will have its cleventh annual ball at Webster
